NOTE:- Terms & conditions

1. This eligibility certificate is issued exclusively on the basis of information/documents and declaration furnished by the applicant along with his/her application form, pending authentication by the authorities concerned.
2. It is brought to the notice of the candidate that after he/she obtains the 'foreign medical qualification' (as per foreign medical Regulation 2002), he/she shall have to pass a screening test (as per Screening Test Regulation 2002) to be held in India subject to the conditions prescribed in the Screening Test Regulations, 2002 and amended from time to time to enable him/her to obtain provisional/permanent registration by the Medical Council of India or State Medical Councils. The Medical Council of India shall be free to investigate on its own into the correctness of information furnished by the candidate in his/her application and/or call for any further information in this regard from the candidate and in the event of any information furnished by the candidate being found to be incorrect or false during such investigation or at any subsequent stage, the Council may cancel the Eligibility Certificate issued and the candidate shall stand debarred from appearing in the Screening Test prescribed in U/S 12 and Sub-Section (4A) of Section 13 of the Indian Medical Council Act, 1956 without any notice & he/she shall be held responsible for any action under the law. The decision of the Council in this regard shall be final.
3. He/she has met the pre requisite requirements of the concerned institute/university before joining undergraduate medical course.
4. It may also be noted that no person shall be allowed to appear in Screening Test unless:
 - (i) He/she is a citizen of India or has been granted Overseas citizenship of India and possesses any primary medical qualification, which is confirmed by the Indian Embassy concerned, to be recognized qualification for enrolment as medical practitioner in the country in which the institution awarding the said qualification is situated.
 - (ii) He/She had obtained Eligibility Certificate from the Medical Council of India as per the 'Eligibility Requirement for taking Admission in an Undergraduate Medical Course in a Foreign Medical Institution Regulations, 2002.
5. The candidate must produce this Eligibility Certificate issued by the MCI at the time of applying for appearing in the Screening Test.
6. The candidate must study for the medical course at the same institute located abroad for the entire duration of the course from where he/she has obtained the degree as per clause 4(3) of the amended Screening Test Regulations, 2002 date : 16.04.2010.
7. The Eligibility Certificate issued to a candidate by the MCI shall not entitle him to any right, whatsoever, other than to take admission in a graduate medical course in a foreign medical institution.
8. All disputes will be subject to the jurisdiction of all Local Courts of Delhi.
